Respite

Providing short-term care for your loved one and the gift of time for you.

ABOUT RESPITE

Enhancing quality of life is a priority at Heritage Christian Services – not only for those we serve with developmental disabilities, but also for their caregivers and families. The respite programs at Heritage Christian Services offer short-term care for children and adults with special needs, providing their caregivers the gift of time to devote to other areas of their lives.

Families can rest assured, knowing their loved one is being cared for by a professional staff member who is certified in CPR, first-aid and specialized care techniques to support a wide variety of physical, emotional and behavioral needs.

There are no out-of-pocket costs for Heritage Christian respite services as long as applicants: have a developmental disability, live at home with a parent or guardian and are enrolled in Home and Community-Based Services Waiver.

SHORT-TERM SUPPORT HOMES

Respitewood and **Respitelodge** offer short-term support to children and adults in a home setting. Stays can range from a day to several weeks, depending on availability of dates. Each person is allowed a maximum of 42 overnights per year. Reservations must be made in advance and dates are oftentimes scheduled three months in advance.

As a guest in one of our homes, your loved one can take part in a wide variety of activities such as playing baseball, enjoying picnics in the park, shopping, watching movies and more.

Respitelodge is located on Chestnut Ridge Road in Chili and can serve six guests per night.

Respitecreek offers an opportunity for students, ages 5 to 21, to spend their after-school hours in a safe, supportive environment and take part in a wide variety of activities including creative projects; exercise including walking and basketball; outdoor fun on the playground; and learning opportunities on the computers and iPads. The program also allows a daily period of respite for the student's family caregivers. In many cases, it also allows parents a much-needed opportunity to complete their work day.

Respite Friends

2:30 – 6 p.m., Monday through Friday, while BOCES is in session.

The Pieters Family Life Center, at 1025 Commons Way in Henrietta, hosts **Respite Friends**, a program with activities geared toward children and young adults ages 5 to 21. The Pieters Family Life Center is a 21,000-square-foot, state-of-the-art health and wellness facility equipped with a gymnasium, work-out room, kitchen, café and studios for dance, music and art. Participants enjoy activities like exercising, working on a computer, reading, baking and playing games and sports, including basketball, floor hockey and kickball.

SATURDAY RECREATIONAL RESPITE

Western New York Club Adventure

10 a.m. – 3 p.m., two Saturdays a month

This program is a two-Saturday-a-month respite opportunity that offers social and recreational activities for people ages 3 to 21. It operates from Ellicott Creek Road in Tonawanda. This program also includes a high staff-to-participant ratio, plus medically trained and certified staff who can dispense medications. Participants must live within Erie, Genesee or Niagara counties.

SUMMER RESPITE

Camp Heritage

8:30 a.m. – 4:30 p.m., Monday through Friday

During school break, Heritage Christian Services offers two summer respite camps for children and adults ages 5 to 21: one at Springdale Farm in Ogden and the other at Rotary Sunshine Camp in Rush. Activities include swimming, fishing, nature walks, building camp fires and arts and crafts. Heritage Christian Services has a nurse on duty at all times.

Transportation is provided each day from a central location, typically the Pieters Family Life Center located at 1025 Commons Way in Henrietta. Participants must live in one of the following counties: Chemung, Livingston, Monroe, Ontario, Schuyler, Seneca, Steuben, Wayne, Wyoming or Yates, and may attend only one of the two camps each year. Due to high demand for this daytime summer opportunity, acceptance of individual applications cannot be guaranteed each year.

Note: There is a high demand for respite services, especially after-school and summer programs. Some of these services may have waiting lists.
