

“The staff is friendly, warm and embracing. This is the first time I have felt comfortable leaving her with anyone outside of family.”

## Club Adventure

Recreational respite program

## What is respite?

Enhancing quality of life is a priority at Heritage Christian Services—not only for those we serve with developmental disabilities, but also for their caregivers and families. The respite programs at Heritage Christian Services offer short-term care for children and adults with special needs, providing their caregivers the gift of time to devote to other areas in their lives.

Families can rest assured, knowing their loved one is being cared for by a trained professional staff who will support their physical, emotional and behavioral needs.

Heritage Christian Services is proud to offer **Club Adventure**.

**Club Adventure** is a respite program which meets three times a month and offers social and recreational opportunities. Scheduled activities are age-specific, and may take place on-site at our location in Tonawanda, or at various locations around the WNY community. Club Adventure offers two all ages activity days each month on Saturdays from 10 a.m. - 3 p.m., and one Friday evening each month, which is specifically for teens and young adults, ages 13 - 27, and runs from 5 - 9 p.m.
