Thank you for your request for information and an application for our Hourly Respite Services (Afterschool, Teen and Camp Programs). Enclosed is the Hourly Respite Application that must be completed prior to consideration for service. Application must be filled out in its entirety out without any blanks; if the application is incomplete it will be sent back. We are not able to serve every individual who applies for our services. We must take into consideration the level of supervision and medical care needed as well as the safety of other individuals when determining who we can serve. There is a high demand for respite services, especially afterschool and summer programs. All of these services have waiting lists. Please remember that families are responsible for setting up transportation for ALL Hourly Respite Programs.

Eligibility and additional information will be required prior to starting any new service.
