

Corporate Partnership Opportunities

Your Partnership. Lasting Impact.

Your partnership helps children, older adults, and people with intellectual and developmental disabilities thrive by supporting:

- Meaningful employment opportunities
- Wellness and enrichment programs
- Residential programs that promote choice and dignity
- The dedicated workforce that makes our mission possible

As a valued partner, your company receives year-round recognition across our events, programs, and community outreach efforts. Together, we can build a more inclusive community where everyone has the opportunity to thrive.
